

An Open Letter to the Pennsylvania Railroad Company

United States Railroad Administration,
Pennsylvania Railroad,
Philadelphia Division.

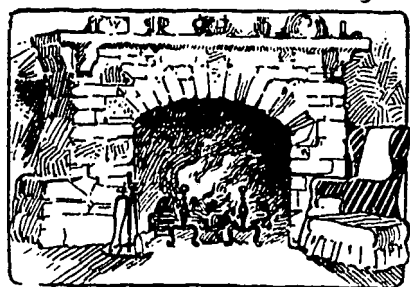

We, the people of Narberth, through the Civic Association, request that the train passing at 7.48 P. M. stop to take on passengers. We have noticed that this train, consisting of three coaches, is not usually filled, and if it were permitted to stop at Narberth, it would be a great benefit to your Narberth patrons, who, when they miss the 7.28 P. M., have no train until one hour later.

We would like to know, further, if the Pennsylvania Railroad ever considered what a convenience it would be to the patrons of the entire Main Line if the last train at night left Broad Street Station at about 12.30? It would be well patronized, as the people who attend lodge meetings, social functions, opera, etc., have to stay in town over night, or leave early in order to get the 11.55.

The Pennsylvania Railroad is, indeed, a wonderful organization, but your patrons need a few more trains. What can you do for us?

TRAFFIC COMMITTEE,
NARBERTH CIVIC ASSOCIATION.

J. H. Nash,
R. J. Edgar,
H. R. Hillegas.

Alan Kirk, son of Mr. and Mrs. W. Kirk, Woodside avenue, has arrived home, after several months in the service of Uncle Sam, having been stationed at Montevideo, Gutamala. The tropical climate has given Alan a real tanning.

The following subject, "Social Hygiene," will be discussed at the Women's Community Club on Tuesday, February 4th, at 3 P. M. This is one of the foremost topics of the present day.

The annual meeting of the Main Line Citizens' Association was held at Roberts' Hall, Haverford College, on Wednesday evening. Mrs. Frederick W. Rockwell spoke on the subject of "Occupational Therapy and a Flag to the Rehabilitation of Wounded Soldiers."

BOY SCOUTS ENTERTAINED.

On Friday evening after the regular business had been concluded Scout Master Patten lined up the troop in the meeting room and marched them into the dining hall of the Y. M. C. A., where they were treated to hot dogs, ice cream, cakes, etc. Their hosts were Mr. G. M. Davis, Chief Scout Director of the Narberth Troop, and Edward S. Haws, Assistant Director. As Mr. Davis was unable to be present, Mr. Haws was requested to take charge of the meeting. Rev. Frank M. Gray gave the boys a very interesting talk in his usual pleasing manner. Others who spoke briefly were Mr. Bowen, Assistant Scout Master; Mr. Haws and Mr. Patten. Rosecoe Smedley gave an interesting explanation of a French "75." Carl Kremer and Merrit Davis also took part in the meeting.

BOARD OF HEALTH.

Dr. Wilbur Re-elected President at Reorganization Meeting.

The Board of Health of Lower Merion Township met for its annual meeting on January 15 at the rooms of the Township Commission. Dr. B. K. Wilbur was elected President for his eleventh successive year and George C. Anderson was re-elected Secretary. A letter from Robley A. Warner, who has been Health Officer for the past ten years, was presented requesting that his name be not again offered for the position of Health Officer, and Marvin E. Reynolds was elected Health Officer for the year 1919. Mr. Warner has been in poor health for some years past, and he felt that he could not go on with the work. Mr. Reynolds has been Deputy Health Officer of the Board since the Board was first organized in 1908, and especially is well qualified to discharge the duties of this important office. The annual report to the Township Commissioners and to the Commissioner of Health of the State was then read and adopted by the Board. It contained many interesting facts regarding the health of the township, which will be made public after the report is accepted by the Township Commission. The other members of the Board are: Edward B. Jordan, of Cynwyd; William P. Landis, of Ardmore; Andrew Macdonald, of Ardmore; Dr. Alexander R. Evans, of Gladwyn.

VACANT LOTS FOR GARDENS.

The Community Club has again started the work of securing the use of the vacant lots in Narberth for gardens. There is no relief in sight from high food prices, and gardening this year should be on a larger scale than ever.

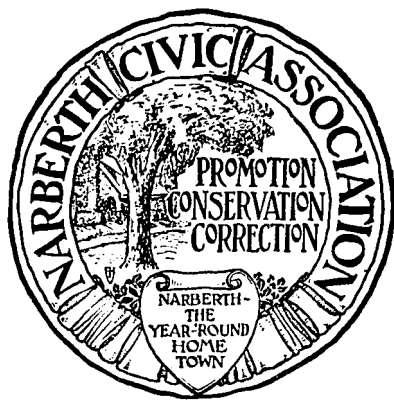

The seed houses report the largest business in their history for this time of year.

The Club has made arrangements to buy seed at wholesale and sell it to town and country gardeners at cost. The purpose is to encourage gardening and to furnish seed of varieties which yield well and have superlative quality. The experience at the Curb Market showed that Narberth people want quality and know when they are getting it.

At the request of this committee, Mr. A. B. Ross, Agriculturist of the U. S. Department of Agriculture, is preparing a list of tested varieties of seed which we will buy. Arrangements will be made also with local florists to grow plants of the varieties we recommend.

Let us know your seed requirements quickly. If you want seeds or a lot, notify Mrs. A. B. Ross, 104 Forrest avenue. Phone 1639-W.

The attendance at the regular meeting of the Civic Association on Thursday evening, the 23rd, was small owing to the inclement weather.

Mr. Joseph H. Nash and Mr. Robert J. Edgar were appointed to represent the Civic Association on the Soldiers' Memorial Committee and instructed to attend a meeting in the Borough Council Chamber on Thursday evening, the 30th. A motion was made, seconded and passed to place on the rolls of the Association the names of former active members who have since moved out of our neighborhood, and to keep them informed of our progress and activities.

FLOWER SHOW.

We imagine that quite a little interest is being taken in the coming flower show, but thus far we have not received any suggestions or ideas. Surely some one has an idea as to when and where the show can be best arranged. Write a note or card to the Civic Association, P. O. Box No. 926.

SCHOOL NOTES

Miss Nellie Wetherill, who for years has so faithfully served all interests of the school, is still unable to be with us. Her duty to-day lies with her aged invalid father. Everybody connected with the school misses Miss Wetherill. Although not with us, she daily has the sympathy and support of directors, faculty and students. We are fortunate in having in her place Mrs. Royden Hunt, who for some time was a member of our faculty, assisting Miss Wetherill and other lower grade teachers. Mrs. Hunt is thoroughly familiar with the school system. Her interest and en-

thusiasm and pleasing personality have been happy contributions to our faculty.

The Athletic Association now has a membership of 175.

A brief patriotic exercise will be held in the High School Auditorium on February 12th to commemorate the birth of Lincoln. The exercises will begin at 8.45 and close at 9.30. The public is cordially invited. Regular class work will continue throughout the day.

We are glad to announce that all members of the faculty who have been absent because of sickness are again enabled to resume their duties. Fortunately, Narberth School has had comparatively so few sick teachers that it has been able to continue regular school work, while many less fortunate districts have been unable to do so.

Directors McCarter and Shaw have been recent visitors in our school. President McCarter spent an entire day last week in addition to part of an afternoon a few days previous. Mr.

CIVIL SERVICE JOBS FOR SOLDIERS AND SAILORS.

The United States Civil Service Commission is perfecting arrangements whereby men who are about to be discharged from the Army and Navy may be charged first-hand information concerning opportunities for employment in the Federal civil service. The Commission has received authority from the Secretary of War and the Secretary of the Navy to appoint its representatives at all establishments where enlisted men are assembled in considerable numbers. These representatives are now being appointed. They will be prepared to inform the men fully concerning positions which are open, to supply them with application blanks, to assist them, if necessary, with the execution of their applications and to advise them relative to civil service matters generally. It is the plan of the Civil Service Commission to entrust this work to educational directors of welfare organizations already operating at the camps, cantonments, etc. The representatives of the Commission who are appointed from the personnel of these welfare organizations will have the benefit of the advice and assistance of the Commission's local boards of examiners at near-by cities, in addition to the instructions received from the Commission.

Dear Cub:

As our champion for justice and equity, we look to you to right the wrong Council and the Fire Company apparently contemplate putting across on many of our citizens.

I have learned that Council intends to or has appropriated a sum for the support of the Fire Company, and on the strength of that promise the Fire Company will reduce the dues to \$1.50 from \$3.00 per year, whereby you and I will save \$1.50 per annum. But how about those who never paid anything into the Fire Protection Fund? They have so far been able to save three dollars a year, and now they are able only to save half of that, or \$1.50—a hardship on that large class of fellow

citizens that should not be permitted to pass. A remedy must be found, more particularly because only a few will be benefitted by the change.

The Fire Company will not get any more members by reducing the dues, the Fire Company will get less revenue and, as said before, the non-paying members will save only \$1.50, where they saved three bucks before. A. E. W.

To the Editor of Our Town:

Considerable publicity has been given to the collection of Thank Boxes to contain contributions for the entertainment of the returning soldiers to Narberth and the balance thereof to be applied to a permanent memorial.

I would suggest a memorial by opening Essex avenue under the railroad and establishing a bridge, the supports or sidewalls of which could be decorated in memorial fashion in such a way as to make a permanent and useful addition to the town.

No more public spot could be secured on which to display the names of our heroes.

I feel sure that the contributions to such a cause will be large and much larger than would be received for a useless monument.

Mr. Committeeman, please consider this proposition before reaching a decision. CITIZEN.

Some Kicks Against the Y. M. C. A.

"If every kick and knock against the Y. M. C. A. service overseas could have been handled as an American Captain I know treated one case in his company, there would be more in the air of what the 'Y' did and less of what they failed to do," said John M. Currie, of Melrose, Mass., who is just home from operating Red Triangle huts in the Calais and Ypres sectors.

"The censor one evening came across a letter from a boy to his folks back home in which the 'Y' was panned and served on toast with a garnish of all the Scotch blessings and reverse English the boy had on hand. Now the censor is a pretty tired man and I should not have blamed him if he had let that letter go. But there was an extra strong touch of exaggeration in it that roused the censor's sense of justice.

"So he sent the letter to the Captain of the boy's company and the Captain called the boy in. This is the conversation that followed:

"Did you write this letter?"

"Yes, sir."

"Read it over. Is there anything there you'd like to change before it is sent?"

"No, sir."

"Then there was a short pause in which the Captain studied the boy, and the boy set his jaw stubbornly. Finally:

"Where did you write this letter?"

"The Y, sir."

"Who gave you the paper?"

"The Y, sir."

"It's warm and cosy, and something like home there, isn't it?"

"Yes, sir."

"Where do you get your cigarettes, candy, etc.?"

"The Y, sir."

"You're always sure of finding what you want there?"

"Yes, sir."

"You go to the movies and a real show occasionally?"

"Yes, sir."

"Who runs them?"

"The Y, sir."

"Doesn't cost you a cent, does it?"

"No, sir."

"There was another pause, and the boy's face was redder and his expression softer. Then:

"If you don't mind, sir, I'd like to see that letter again."

"Without a word he took it from the officer's hand, tore it once across, and dropping it into the basket, made his salute, turned on his heel and walked out."

OUR TOWN will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy"—manuscripts—must reach the editor by 6 P. M. Monday each week.

Cub's Weekly Letter

To the Editor of Our Town:

Should you find your mail mixed up with another's don't get peeved. You know the acoustics of our Federal Building are such as to make the slightest sound audible to the Postmaster and his assistants. The clerks are young and so was Ed—once—and you can't expect them to work well while a vaudeville show or a dog circus is in progress right in the same room. You just try to concentrate on a column of figures or properly distribute mail while a couple of women six feet away are discussing loudly some of the burning questions of the day and you'll be surprised at your wonderful memory for cuss words.

Dogs are "verboten" according to a sign on the door, but regardless of that, the other day a woman dragged in a pup at the end of a six-foot chain. The pup had the asthma or something of that kind and being considerate of Ed's feelings tried to get out in the open air. But woman's inhumanity to man and woman and dog was again exemplified by the action of the pup's mistress. She kept him there exactly 40 minutes while she told her troubles to a neighbor—and to everybody else in hearing. Naturally all was not joy behind the partition. The 5.15 was about due and a big rush of business was expected, but what with the wheeze and coughing of the dog and the declaiming of his boss, work for Uncle Sam's hirelings was under compulsory suspension for the time being. That's the night you didn't find any mail in your box. It was delayed until morning.

(Dear Editor: This is just a sop to Ed. Haws, who has been sore ever since we bully ragged him into changing those doors. But it's true just the same.)

Gosh, August Evergreen's broken out again! Do you know, I admire that man's live interest in Narberth's affairs and his evident desire to be a useful citizen, although he often succeeds in being something else. I can't help but like his fearless manner of saying out loud just what is on his mind—that's when he knows whereof he's speaking. The trouble is he gets his wires crossed. He writes a letter to Our Town, tells us that teachers are underpaid as compared with munition workers, janitors, etc., and we are all inclined to agree with him. Our hope is that some day we'll be able to help him bring out many reforms; in fact, reform the whole world. But when he begins to quote figures, Ach Himmell—which translated means "Oh piffle."

Narberth is beginning to resemble Venice in the number of its bridges. Our Street Commissioner probably hasn't any gum shoes, hence this epidemic of bridge building at all street crossings. And there's that crossing at Sabine and Essex for which the school children will be duly thankful. Strange he didn't build a bridge there, too.

The greatest travel picture, if not
the most interesting, is Martin John-
son's "Cannibals of the South Seas,"
to be shown at the Palace Theatre, Ard-
more, on Wednesday. Johnson and his
plucky little wife traveled thousands of
miles alone, visiting the savages of the
lonely South Pacific Islands, where the
blacks had never before looked upon a
white man. Once captured by cannibals,
only to escape by a hair's breadth, they
discovered a tribe of pigmies and often
stood beside death in filming their
most wonderful adventures.

The "Thank Boxes" delivered to
each home in Narberth and collected
January 19th, contained \$899.27 when
the committee counted the contents. Ad-
ditional boxes have since been collected
containing \$71.24. This makes a total
of \$970.51 now in the hands of Treas-
urer Haws. There are still a few boxes
which have not been turned in. Those
holding them are requested to leave
them at the Post Office if convenient.
The amount contributed in these boxes
purely voluntary and without sollicita-
tion, is considered a very liberal col-
lection, after all the war-time calls
which have been so successfully met in
Narberth. The important matter now
before the Narberth organizations is to
see that their delegates attend the
meetings called to determine how the
returning boys are to be received, and
what form the permanent memorial shall
take, which is to be established in
memory of our heroic dead.

SCHOOL NOTES

(Continued from Page 1.)

Shaw, Chairman of the Instruction
Committee, devoted a forenoon to a gen-
eral review of conditions in the Ele-
mentary Department. On Franklin's
birthday he gave an instructive and in-
spiring talk on the life and work of
Franklin. He has kindly consented to
talk on Abraham Lincoln Wednesday
morning, February 12th.

BASKETBALL.

Narberth High School won its sixth
straight game Wednesday afternoon,
when Lower Merion High School fell
before the local boys, losing by a score
of 26-16.

The Ardmore boys led at half time
by a score of 12-11, but this lead was
quickly overcome by Narberth.

The game was close and fast, and the
clever handling of the ball by Narberth
gave them the victory.

The line-up:

Narberth. Lower Merion.
J. Dickie..... Forward Rountree.
Jenkins..... Forward Stillwagon
Ward..... Center Ryan
Martin..... Guard Powell
Nolan..... Guard Derham

Substitutions—M. Dickie for Jenkins;
Heston for Stillwagon; Stillwagon for
Derham; Tyson for Powell. Field goals
—J. Dickie, 3; Ward, 1; Stillwagon, 2;
Ryan, 2; Powell, 1. Foul goals—Dickie,
18 out of 24; Stillwagon, 6 out of 8.
Rountree, 0 out of 3.

Again Narberth High School's bas-
ketball team triumphed when the boys
defeated the Darby High School team
last Friday by a score of 37 to 35. As
the score shows, the game was close.
At the end of the first half the score

stood 21 to 16 in favor of Darby, but
in the second half the local boys made
a great spurt, which put them nine
points in the lead. Darby was never
able to catch up.

The passing and cleverness of the
Narberth boys featured. Though almost
every boy on Darby's team was bigger
than the largest on Narberth's, the vic-
tors' speed and cleverness carried them
out on top.

Sipler and Spahr starred for Darby,
while Dickie and Martin played bril-
liantly for Narberth.

The line-up:

Narberth. Darby.
Dickie..... Forward Collison
Jenkins..... Forward Carpenter
Ward..... Center Spahr
Martin..... Guard Beacher
Nolan..... Guard Sipler

Field goals—Dickie, 5; Jenkins, 2;
Ward, 2; Nolan, 1; Martin, 1; Collison,
1; Spahr, 5; Sipler, 2; Beacher, 2. Foul
goals—Dickie, 15 out of 24; Beacher,

utes. Referee—Fred. Guetter, Phila-
delphia Board.

The above department should be of the
greatest use to the community, the list con-
tains the name of every professional man,
tradesman, mechanic, shopkeeper, etc., who
does or can in any way serve his fellow-
townsman, and who is progressive enough
to add name to list of Register.

As it is difficult for those contributing
their time and efforts to the production of
"Our Town" to personally either know or
interview all such, it would be most help-
ful if those not now found in the printed
list would send in a memo of their names,
address, phone numbers and businesses, or
professions for listing. This will cost as fol-
lows: 10 cents each issue for 2 lines; 5 cents
for each additional line.

BOWLING ALLEYS BEING CLEANED AND REFINISHED.

Stage Will Be Set for a Real Revival of Bowling Interest.

The die is cast! Our Directors have now responded to those who have so often claimed that bowling is a popular sport and exercise in Narberth. The alleys are at this writing being cleaned. They will then be refinished.

The next step is up to the members. Come in and try out the NEW ALLEYS. Non-members are also welcome to loosen up their muscles. We are sure that one evening as a visitor will make you desire to enroll as a member and come often.

The "Y" is making an effort to bring this sport to your home town. Don't stand back with prejudice. Give the refinished alleys a chance.

The bowling team expects to return to our alleys for their home games. Watch for their schedule announcement. Come and see them roll away from their opponents.

WHEN THE BOYS COME HOME.

Red Triangle Committee Reports a Plan of Welcome.

Only the approval of our Board of Directors is needed to put into force a mighty fine plan for the Home Town "Y's" welcome to our boys returning from the Army and Navy.

That active Red Triangle Committee, headed by Mr. Noel, is responsible for the plan. It includes a membership invitation and club room facilities for the first few months of their home-coming.

Further details will be announced next week after the plan has been sanctioned by the Board of Directors.

DIRECTORS PREPARING TO INCREASE OUR SERVICE.

He is expected to come with the express purpose of planning a FORWARD STEP for our Association. The early hour, 7.30 P. M., is a portent of BIG BUSINESS which requires every possible minute of time.

Watch for the report of this meeting in next week's issue of Our Town.

February Sale of

FURNITURE

Beginning Saturday, February 1st

We now have the largest stock of Furniture we have ever owned, and this entire stock will be here in the February Sale at a substantial saving to our customers.

Our regular stock—every piece and suit in the Store and our warehouse—will be lowered in price, the reductions ranging all the way from 10 per cent. on regular numbers in constant demand, to about 45 per cent. on odd pieces and designs to be discontinued.

As in former years, however, the greater feature of attraction will be the SPECIAL PURCHASES—the splendid lots of Furniture bought especially for this February Sale, the average SAVING ON WHICH WILL BE FULLY ONE-THIRD. These purchases were made many months ago—most of them in May of last year—long before anyone thought of the war coming to an end so soon, and when, in fact, some of our best manufacturers were diverting their plants to the producing of war materials, and closing out large quantities of Furniture to clear their factories to facilitate the handling of their Government contracts.

We expect and believe this will be by far our greatest February Sale—first, because our stock is larger and the values relatively more attractive than ever; second, because many folks have delayed buying Furniture until after the war, and because we shall have more than the usual number of spring weddings.

Other Important Sales This Month—Will include—Housefurnishings, Laundry Supplies, Enamelware, Refrigerators, China, Cut Glass, Lamps, Framed Pictures and Picture Frames, Metal Bedsteads, Springs, Mattresses, etc., all considerably under price.
